R. R. No. 3.

PREPARE THIS YOURSELF.

For those who have any form of blood disorders; who want new, rich blood and plenty of it, try this:

Fluid Extract Dandelion, one-half ounce, Compound Kargon, one ounce; Compound Syrup Sarsaparilla, three ounces.

Snake well in a bottle and take in teaspoonful doses after each meal and at bed time. Any good pharmacy can supply the ingredients at small cost.

This is the prescription which, when made up, is called "The Vegetable Treatment," by others, the "Cyclone Blood Purifier." It acts gently and certainly does wonders for some people who are sickly, weak and out of sorts, and is known to relieve serious, long-standing cases of rheumatism and chronic backache quickly.

Make up some and try it.
